2024 Grand National Teams (GNT)

Would you like to compete against the best players in your flight for the District 21 Championship, and the chance to travel to the National Finals in July in Toronto, Canada? Would your team like to Pass Go and Collect \$2000 for the trip?

If you answered yes, sign up now for the Grand National Teams Qualifications! Teams of four-to-six players can sign up on the homepage of the District 21 Website or by following the links below.

The Grand National Teams are a grass roots tournament played in all ACBL Districts across the US and Canada, with the winners in each area representing their District in the National Final. The GNT knock-out events are often described as the purest form of the game. Your team and their team, head-to-head for 24 or 60 boards, winner take all. Bid your game, make your contract, overtricks be damned! It's a fun way to spend your weekend with your bridge friends, and play against great competition.
