

## Tournament Manager's Report – Reno Regional

Nancy Boyd  
July 2020

Alert! District 21 is excited to invite you to attend our first face-to-face Regional since 2019. Pack your bags, your masks, your vaccination cards and rumble-on-down to Sparks (aka Reno) for the 2021 Sparks Regional (October 4-10).

The planning committee has created a schedule with events for every skill level... play with your peers (and win). See the schedule below.

Sneak Peak: we've left the evenings open so you can have a nice dinner and enjoy the hospitality of Reno, the Biggest Little City in the World.
