District 21 seeks a new Executive Committee Officer

At a special meeting of the Board of District 21 in November, the Board approved a change in the Bylaws that (1) redefined the membership and authority of the Executive Committee and (2) created a new Board office, namely the Executive Committee Officer.

New Article X.A. states in part, "The Executive Committee shall be the District's only committee of the Board with full authority to act for the Board in between Board meetings as authorized by California's Nonprofit Public Benefit Corporation Law."

Article VIII.E. now states, "The Executive Committee Officer is a member of the Executive Committee who shall assist with such duties as requested by the President." The position was created to avoid the possibility of tie votes among the other four members of the Executive Committee, namely the President, Vice-President, Secretary, and Treasurer. Like every other Board office, the term of office will be one year.

The President temporarily appointed Cornelia Gould to fill this vacancy. There will be an election to fill the position at our next meeting of the Board on Saturday, January 15, 2022.
