### Monterey Regional

January 3 – 9, 2022

- Ladies and Gentlemen. Start Your Engines and point your cars towards the Hyatt Regency Monterey Hotel and Spa on the Del Monte Golf Course. Your D21 Tournament Planning Committee [Sigrid Price, Ray Yuenger, Anne Hollingsworth Haley, Jill Wallace, Melanie Haddad, Jackie Ortiz, Kyle Ruggles, Calvin Harper, and Ken Horwedel, DiC] has been working to ensure a welcoming environment for all our returning players.
- We made some decisions about where the games will be played. Although there will be signs, here's a preview... Monday and Sunday all games will be played in the Regency Grand Ballroom (in the Convention Center). Tuesday thru Saturday the 199er and Gold Rush games will be in the Monterey Ballroom (in the building with the hotel registration; also the previous site for all the Daylight Games.) All other games will be in the Regency Grand Ballroom.
- Remember, we're making some changes...
  - ✓ an online Partnership Registration process (yes, we will still make partnerships at the tournament and have folks to help you).
  - ✓ a virtual daily bulletin (which will be emailed to you using the address registered with ACBL). This bulletin will have PICTURES of winners and a list of that day's events. If you KNOW you're going to win an event, or you're on the verge of a rank advancement, Evelyn Holtz, our photographer, will take your picture and ensure that it makes its way to the daily bulletin.
- The links to partnerships, schedule, VOLUNTEER sign ups, and information updates can all be found at <https://d21acbl.org/>.
- We've talked with the hotel to ensure that there will be food available for people who don't want to leave the site.
- Masking Required. In accordance with California's statewide mask mandate, masks must be worn in all indoor public spaces. This includes all playing areas.

If you need more information on any of these items, please email me at [D21TournamentPlanning@gmail.com](mailto:D21TournamentPlanning@gmail.com) or call/text 925.989.2412.
