All charity requests to the ACBL will now go through the ACBL Charity Foundation. District 21 got an allotment of \$10,000 from the ACBL Charity Foundation in 2024. We had the option to pick between one and five charities.

Seven nominations were received. The charity committee picked five charities to each receive \$2,000. The five charities selected are:

River City Food Bank

Alameda County Community Food Bank

Second Harvest of Silicon Valley

Monument Crisis Center

Tri-Valley Haven

These requests were approved by the District 21 Board at the September Board Meeting. The ACBL Charity Foundation also approved the charities and checks will be sent to the charities in November.
