Hello from your District 21 Tournament Chairs!

We have had two great tournaments in the last couple of months and are just now pausing to catch our breath. Both the All Western Regional in Santa Clara and the Gold Nugget Regional in Reno/Sparks were great weeks of bridge. We had a good turnout in both, with a mild increase in Santa Clara attendance and a whopping 150% increase in Reno/Sparks. Much of the Gold Nugget enthusiasm is credited to the robust Reno Unit's Matheson Bridge Club. They have an amazing program to recruit and retain new players and many of them joined us. It is so good

to see new faces and new energy in our community. Many thanks to all of those volunteers who help make our regionals a fun place to play bridge.
