Elegant Dinner for the Goodwill Award Winners

Passionfish, a popular restaurant in Pacific Grove, was the setting for the annual Goodwill Award dinner where the winners were rewarded for all their hard work with a lovely meal and delicious wines.

Our group of 10 was decidedly more reserved this year as the conversation veered toward recent developments in IT. This was a serious group as most winners received their accolades because of their work behind the scenes creating their Units' websites or balancing the books. Huddled deep in conversation was one group at the table, undoubtedly completely revamping out district's website and developing new software for our tournament's scorekeeping. One can only hope!

Rick Wilson, Presidential Award winner, Bob Schwab (Unit 506-San Francisco), Steven Levinson (Unit 508-Marin County), Kathleen Beasley (Unit 465-Carson City), Jim Coke (President of District 21), Gail Gabiati (District 21 Goodwill Chair), Ant (Anthony) Toto (Unit 522-Fresno), Chuck Silva (Unit 499-Diablo Valley)
